Alumni Spotlight

This month, our Alumni Spotlight goes to Khadijah Sterling!

Khadijah Sterling-Scott is a proud alum of Neighborhood House! Khadijah began in the infant room at six months old and attended “The Nabe” through Preschool. While in elementary school, Khadijah returned each summer as a camper in the Summer Camp Program. She would later return to work as an assistant in the Infant/Toddler building during her summers home from college.

Khadijah attended Howard University, where she graduated with a Bachelor of Arts in Human Development and Early Childhood Education in 2011. She went on to earn her Master’s in Early Childhood Education in 2012. Later that year, Khadijah joined the KIPP DC team as a Pre-K 4 Teaching Resident at Discover Academy in Southeast Washington DC. KIPP DC is a part of a network of public charter schools committed to providing all students with access to high quality education and the opportunity to attend college.

Khadijah would go on to serve as a Lead Teacher and Grade Level Chair of the Pre-K 4 Team at

Discover Academy. While in the classroom, she completed her second Master’s degree in Special Education and Learning Disabilities from American University.

Khadijah was promoted to the role of Vice Principal in 2015. She is excited to be returning to her home state to continue this important work within the KIPP network for the 2017-18 School Year. In July, she will assume a position as Vice Principal at KIPP Lanning Square Primary in Camden, NJ. KLSPP serves students in Kindergarten through fourth grade. Khadijah is passionate about doing work that makes high quality education accessible to all students.
